

Submitting an individual report (6 points).

Each student will submit an individual project report of up to **2** pages. The report should include:

- 1) A summary of your role and efforts in the team to accomplish the group project
- 2) What you have learned from this course project
- 3) The performance of your teammates.

You are welcome to leave me suggestions on how to improve the course project/lectures. I'd really appreciate that.
